

Year 9

This half term, the literacy focus is on key subject words. It is important that you know what these words mean and how to spell them, so you feel more confident when using them in your writing. Every week, your form tutor will set a list of words for you to practise at home. There will then be a spelling test the following week!

1. CP

- Choreography
- Dynamics
- Spatial
- Retrograde
- Complementary
- Cyclical
